

Mom, How Do I Clean the Bathroom?

Bathroom Cleaning Checklist

1. ____ Pick up the floors and counters and return everything to its “home”
2. ____ Clean the inside of the toilet bowl and wipe down all the outside surfaces (including toilet seat, toilet lid, outer toilet, tank, handle, pedestal)
3. ____ Clear all items out of the bathtub or shower and scrub all surfaces with a sponge and shower cleaner (OR Mix 1 to 2/3 cups baking soda, ½ cup castile soap or other quality liquid dish detergent, ½ cup water, 2 tablespoons of white vinegar- you can use this to clean the tub, sink, and countertops)
4. ____ Rinse the bathtub and replace the shower items to their home
5. ____ Replace all dirty bath and hand towels with clean towels
6. ____ Clean the sink with shower cleaner or homemade mixture described above
7. ____ Wipe down the counter top(s) and faucet
8. ____ Clean the mirror with paper towel and Windex (or combine 1 cup water and 1 cup white vinegar in a spray bottle)
9. ____ Refill any paper products (toilet paper, cotton swabs, etc.) and hand soap
10. ____ Shake out any bath rugs outside, put in laundry to wash if necessary
11. ____ Sweep the floor
12. ____ Mop the floor and let dry
13. ____ Take out any trash and replace the trash bag
14. ____ Celebrate a JOB WELL DONE!! :-)
